By Sinead
Luxury Organic Candles

Take Your *Candle*
&
Light the *World*

Thank You,

Sinead xx

Take Care of Your *Candle*

- Burn your candle for at least 2 hours at a time.
- Trim your wick between each burn.
- Try not to over burn your candle. Its recommended not to burn the candle to the bottom as the glass can overheat.
- Use the lid to put the candle out.

Bow-tique candles are made from 100% organic plant wax and are suitable for allergy & asthma sufferers.

Enjoy.
